## STATE OF HAWAII 'Q3 APR -4 A7:25 REQUEST FOR EXEMPTION FROM CHAPTER 103D, HRS

TO: Chief Procurement Officer

STATE PROCUREMENT OFFICE STATE OF HAWAII

FROM: Department of Land and Natural Resources, Division of Conservation and Resources Enforcement (Department/Division/Agency)

Pursuant to § 103D-102(b)(4), HRS, and Chapter 3-120, HAR, the Department requests a procurement exemption to purchase the following:

Description of goods, services, or construction:

Helicopter Transportation Services for the following:

- 1. Search and rescue
- 2. Criminal surveillance and apprehension.
- 3. Marijuana observation and detection.
- 4. Marijuana extraction and eradication.

Name of Vendor: DBA Inter Island Helicopters

K & S Helicopters Inc.
DBA Tropical Helicopters
Manuiwa Airways Inc.
DBA Volcano Helicopters
Windward Aviation Inc.

Cost: \$100,000

Term of Contract:

From: Date of approval

To: June 30, 2003

Prior Exemption Ref. No. (if applicable)

Explanation describing how procurement by competitive means is either not practicable or not advantageous to the State:

Procurement of helicopter services by competitive means is already in the process and it is estimated to be completed by June 30, 2003. We are requesting exemption from Chapter 103D HRS only up to completion of the new Helicopter Services contract.

Public safety will be impacted if we are unable to assist in search and rescue mission without the availability of an air asset. We are also approaching the main growing season for Marijuana and eradication missions should start before harvest time which could start as early as May.

If the Division waits till the helicopter services contract is awarded, public safety and officers' safety could be jeopardized and illegal drugs could be harvested and distributed to the community.

Details of the process or procedure to be followed in selecting the vendor to ensure maximum fair and open competition as practicable:

Same guidelines can be followed with previous Helicopter Services contract.

Administrator, State Procurement Office
